# EXHIBITOR BOOKING PACKAGE

# INTRO

In its inaugural year, NLCA BUILD 2023 is a new Initiative from the NLCA Centre of Ecovation. This expo will be NL's Largest Commercial and Industrial Construction Trade Expo showcasing the latest equipment advances & newest technology applications in different aspects of the commercial and industrial construction industry. More Products - More Services - More Opportunities to bring businesses to the next level, through this essential industry experience. This will be a venue for members & industry to showcase their green products, technologies, and services to the buyers of construction.

Over the 2-day span members and industry will have direct access to an essential industry experience; VIP construction outlook sessions: construction project forecasts featuring insights and updates; direct access to innovation & technology with over 100 Exhibitors.

Who will be in attendance: Provincial and Federal Government; General Contractors; Electrical Contractors; Mechanical Contractors; Manufacturers & Suppliers; Architects; Trade Specialties; Heavy Civil Contractors; Safety Professionals; Engineering Technicians & Technologists; Consulting Engineers; Road Building Contractors; Engineers; Municipalities; Government Purchasing Agencies; Finance Companies; Insurance and Surety Companies; Education and Training Providers; and Owners/Buyers of Construction.

*An Initiative of*
