The Government of Newfoundland and Labrador Announce Budget 2023

ST. JOHNS (March 23, 2023) – The Newfoundland and Labrador Construction Association (NLCA) welcomes today's provincial budget announcement and the significant investment in infrastructure development.

"We are pleased to see the government's commitment to investing in infrastructure across our province," said Rhonda Neary, president, NLCA. "This will create jobs, boost economic growth, and help improve our communities."

NLCA is committed to continuing to work collaboratively with government and industry to bring these projects to life. As the leading voice of the construction industry in Newfoundland and Labrador, NLCA recognizes the importance of infrastructure funding in all corners of the province.

"We are excited to see the government's commitment to investing in infrastructure and look forward to the positive impact this budget will have on the industry and the province."
