EXHIBITOR BOOKING PACKAGE

INTRO

The NLCA BUILD 2024 is an Initiative of the NLCA Centre of Ecovation. This expo is NL's Largest Commercial and Industrial Construction Trade Expo showcasing the latest equipment advances & newest technology applications in different aspects of the commercial and industrial construction industry. More Products - More Services - More Opportunities to bring businesses to the next level, through this essential industry experience. This is a venue for members & industry to showcase their green products, technologies, and services to the buyers of construction.

Over the 2-day span members and industry will have access to an essential industry experience, business sessions and direct access to innovation & technology with over a 100 Exhibitors.

Who will be in attendance: Provincial and Federal Government; General Contractors; Electrical Contractors; Mechanical Contractors; Manufacturers & Suppliers; Architects; Trade Specialties; Heavy Civil Contractors; Safety Professionals; Engineering Technicians & Technologists; Consulting Engineers; Road Building Contractors; Engineers; Municipalities; Government Purchasing Agencies; Finance Companies; Insurance and Surety Companies; Education and Training Providers; and Owners/Buyers of Construction.
