**WIC CONFERENCE CHARITY: THE  
ADOPT A VILLAGE PROJECT AT  
TSHELANYEMBA HIGH SCHOOL IN  
ZIMBABWE**

The Adopt a Village Project at Tshelanyemba High School in Zimbabwe aims to provide essential plumbing and sanitation facilities for the girls who live at the school during the week, as they reside too far away to walk home safely each day.

To achieve this goal, we need to install a 5000-litre water tank to ensure a reliable water supply. Your generous donations will directly contribute to improving the living conditions and overall well-being of these students.

To donate, please complete the charity donation form below.
