ABOUT NLCA

The Newfoundland and Labrador Construction Association (NLCA) was founded in 1968 to serve as the “Voice of the Provincial Construction Industry”. We provide a forum through which members can discuss and resolve matters of common interest. Our goal is to coordinate and develop policies and programs that will enhance the professionalism, productivity, and profitability of members.

We offer a variety of valuable services to our members, including:

- Vital construction information through our innovative electronic plans room
- Targeted education & training sessions designed specifically for the industry in our province
- Networking events where members can have fun while growing their business contacts
- Advocacy with all levels of government as it pertains to the construction industry

INTRO

The NLCA BUILD 2025 is an Initiative of the NLCA Centre of Ecovation. This expo is NL's Largest Commercial and Industrial Construction Trade Expo showcasing the latest equipment advances & newest technology applications in different aspects of the commercial and industrial construction industry. [More Products - More Services - More Opportunities](#) to bring businesses to the next level, through this essential industry experience. This is a venue for members & industry to showcase their green products, technologies, and services to the buyers of construction.

Over the 2-day span members and industry will have access to an essential industry experience, business sessions and direct access to innovation & technology with over a 100 Exhibitors.

Who will be in attendance: Provincial and Federal Government; General Contractors; Electrical Contractors; Mechanical Contractors; Manufacturers & Suppliers; Architects; Trade Specialties; Heavy Civil Contractors; Safety Professionals; Engineering Technicians & Technologists; Consulting Engineers; Road Building Contractors; Engineers; Municipalities; Government Purchasing Agencies; Finance Companies; Insurance and Surety Companies; Education and Training Providers; and Owners/Buyers of Construction.
