

Gold Seal Certification Process

STEP 1 - Enroll in the Program, become GSI

All applicants enroll in the Program.

Requirements*:

- Letter of reference from direct supervisor
- One to two years of experience (10-20 credits)

*Please see page 13 of the [Gold Seal application guide](#) for requirement details.

STEP 2 - Submit GSC application

Applicants can complete a GSC application once they meet the minimum requirements* of 100 credits:

- Five years of experience (50-75 credits)
- Education and training (min. 25 credits)
 - Includes mandatory training (min. five credits)
- Safety training (optional)

*Please see pages 13 of the [Gold Seal application guide](#) for requirement details.

STEP 3 - Write the Gold Seal exam

Applicants can register and write the exam once their GSC application is approved. Successful exam writers become Gold Seal Certified (GSC).

- Receive approval from Gold Seal team by email
- Register for the exam* (link provided in approval email)
- Attend exam preparation webinar*
- Applicants must write the exam within one year of approval

*Exam and webinar dates are available on the [Gold Seal website](#)

Your path to professional excellence starts here.
